Re: R. Lavin & Sons, Inc.

Dear Brad:

R. Lavin has now completed the Work required by the administrative order on consent. Lavin is about to begin preparing the completion report required by the AOC and will be submitting that within the schedule set forth in the AOC.

In the meantime, Lavin also is designating me as the project coordinator for the remaining non-field activities required by the order. Dan Caplice who had served in that capacity is no longer working for Lavin in connection with the site.

Sincerely yours,

Raymond T. Reott
